SPRING

Alchemy Island

DAaRT -

Guided Reading Text: Harry Potter and the Philosopher's Stone.

SUMMER

Off with her head.

Carnival.

Guided Reading Text: Clockwork by Phillip Pullman

Trips

**PGL - residential -
20th-22nd March**

Homework will be given out weekly. Due to timetabling of computing and PE, each class has a different day where homework is set.

Children will write their homework in their reading diary every week.

We would like to see the children reading, from their banded books, a minimum of 3 times a week. These should be noted in their reading diary.

This will be checked on a **Monday**. However reading diaries should be in school everyday for recording messages.

As we are now in Year 5, it is expected that children will take responsibility for the completion of this.

We require parents to sign diaries weekly to maintain regular communication links with school.

Children will be given a spelling list every Friday - these lists are made up of Government words or words we are focussing on in class. Children will be assessed on these words every Friday.

These words will be introduced to the children in school and often used in contextual sentences. They will be stuck in home school diaries and any additional familiarisation will be of huge benefit to their learning.

Monday:

Reading diary checked

5L and 5SH set either maths or English homework

Tuesday:

Carousel - Music, Drama and Spanish

Wednesday:

Outdoor PE

5W currently set either maths or English homework

Thursday:

Indoor PE (outdoors while the weather is good)

Friday:

New spellings given out - tasks and games available on SpellingShed

Spelling assessment

The background of the slide is a vibrant collage of overlapping, tilted rectangular sticky notes in various colors including orange, light blue, yellow, green, and red. Each sticky note features a large, bold, black question mark. In the center of the collage, there is a horizontal light blue rectangular box containing the text "Any questions?".

Any questions?
