28th February 2025

Dear Parent/Carer

Welcome back to the second half of the spring term – we are now already half way through the academic year.

Before half term we held our parents' evening appointments, which I hope you found helpful and informative.

Bikeability

A number of our Year 5 pupils have opted to have Bikeability training this half term and you might see them out and about. The instructors have been really impressed commenting on the excellent behaviour and good manners. Well done Year 5!

Football

Our boys have been in action this week with the A team just losing out 1-0 to Barnby Road whilst the B team successfully beat their B team 2-0.

Swimming Gala

Congratulations to our swimming team who took part in the Newark Swimming Gala on Monday. They came out on top and will now go on to the County Finals in May at Hucknall Leisure Centre.

School Meals Service and Squid

Please look out for information towards the end of next week regarding some changes to how to pay for school meals and our ultimate move to a new catering provider in the coming months.
