Vol 16 Issue 20

4<sup>th</sup> July 2025

## Dear Parent/Carer

What a great week! Our Year 6 were all brilliant with their performances of Joseph and we are all super proud of them. This week we also received our Statutory Inspection of Anglican and Methodist Schools (SIAMs) report which really reflects our school ethos and on Tuesday 1<sup>st</sup> July we finally joined The Mitre Trust following a two year wait.

## The Mitre Trust

You won't notice any major changes with our joining The Mitre Trust as we have been working closely with them for the last two years. This said, we are now in the process of adopting their policies and these will be available on our website.

## Visiting Author

We are fortunate enough to have an author joining us to talk to the children on Monday. There is an opportunity to purchase their books and information about this will be coming home with this newsletter.

## Sports Day

Next Friday is our rearranged Sports Day and the long-range forecast is looking very promising. **Upper School Sports will start at 9.30am and Lower School at 1.30pm.**

## Squid

We have updated the accounts with the monies and names that Squid has returned to us. I am aware that this may not have covered all the outstanding balances and whilst I have tried to query this, I have had no response from Squid. Unfortunately, the advice I have received is that if you are owed balances then this has to be taken up directly by the parent and Squid.

## Pre-Loved Uniform

The rail outside the school office is proving popular – please do put the money in the box attached to the rail.

Have a great weekend.

Headteacher

## Keeping your child safe on the Internet

I have been asked by some parents to offer some additional advice around Cyber Safety to help parents keep their child safe online. The best resources I have come across are from the NSPCC and the link to these is here:

<https://www.nspcc.org.uk/keeping-children-safe/online-safety/#guides>

I have also had this link that also offers really good advice:
