

Lowe's Wong News

Vol 17 Issue 2

19th September 2025

Dear Parent/Carer

The children have all settled back well into school life. As you will see our diary is filling up and I would make a special mention of our Parents Appointments coming up on Tuesday 7th and Wednesday 8th October.

Parents Appointments

Approximately a week prior to our Parents Appointments, you will receive an email link to book a time to meet your child's class teacher. This appointment is intended to share how your child has settled and how they have started the year.

School Uniform and Pre-Loved Uniform

We have recently received a top up order of uniform for those parents still needing any. We also have a very popular pre-loved rail with all monies raised from used towards the children's Christmas parties. The rail is normally outside the school when it is dry and in the main hall if wet.

We would always welcome donations of pre-loved uniform, please drop these off at the school office.

Christmas Concerts

An early date for your diaries, our Christmas Concerts will take place on Wednesday 10th and Thursday 11th December in Southwell Minster.

School Meals and Tuck

We have been working closely with Innovate to resolve the issues in relation to the new school meals provider. I have to say that the meals look great and the feedback from the children is positive. Please note that we cannot provide school meals very easily on the day – so if you haven't booked a meal for your child, please send them in with a packed lunch.

Clubs and activities

We have several clubs that have recently started, including Spaghetti Maths, Musical Theatre, Cookery and after school Friday football for Years 5&6. There will be more clubs starting soon. Where a club is oversubscribed, we will run it again in the Spring term and prioritise those children who were unable to join this term due to numbers.

Have a great weekend.

Mr M Follen
Headteacher

Dates for your diary:

Tuesday 23rd September

Yr5 Bikeability Groups 1 & 2

Wednesday 24th September

Yr 5 Bikeability Groups 3 & 4
