ROAR 2025

2025 is the 10th year of Lions ROAR, an inspirational competition run by the Lions Clubs British Isles and 8billionideas education company. It aims to encourage children to come up with ideas for how we can change our world for the better - think big and dream bigger!

Lowe's Wong Junior School have entered the competition for the last few years and had great success. This year's campaign was launched last week and if your child would like to enter they should work on their idea in the knowledge that they will be asked to present it to their class straight after October half-term.

Further information can be found by following the link below (you may need to copy and paste it into your browser). Scroll down to the bottom of the page and look at the sections under 'competition navigator':

<https://8billionideas.notion.site/ROAR2025-Teacher-Pack-cb934f73ad2e4385a2aa52956cd74335>

In summary, the children will need to enter in a group of between 2 and 4 children. They will need a poster and model and jingle. All details can be found on the website (link)
The best ideas will be selected to be presented to a judging panel from The Lions. The overall school winner will then compete in the National Finals Day at the beginning of December.

Good luck and we look forward to seeing the children's ideas.

Kind regards

Mrs Harvey
ROAR Co-Ordinator
