

**Lowe's Wong Junior School**  
**Year 5 Stargazers Project**  
**Planetarium Presentation – Monday 10<sup>th</sup> November**  
**Virtual Reality Workshop – Monday 17<sup>th</sup> November**

October 2025

Dear Parents / Carers of all pupils in Year 5,

We have been fortunate in arranging a Planetarium Presentation on Monday 11<sup>th</sup> November which will be of great benefit to the children during our 'Stargazers' topic. This exciting production will stimulate all children using a multi-sensory approach and aid their understanding of these scientific concepts.

In addition, we will also have a Virtual Reality workshop on Monday 17<sup>th</sup> November. It allows every child to discover the solar system from the classroom. They will leave Earth to explore the fascinating topic of space with facts, games and 360-degree videos.

**Costing:**

To enable both these activities to take place, we invite parents to make a voluntary contribution of **£10.00** (£3.50 for the Planetarium and £6.50 for the Virtual Reality).

We are a 'contactless' school so online payments and consent for this trip are preferred. Please log in to your SchoolMoney account through [www.eduspot.co.uk](http://www.eduspot.co.uk). A link can be found on the school website or via the text sent to you today. If you have any queries regarding funding for this visit for your child, please speak directly to Victoria Baxter in the School Office.

**Pupil Premium Funding:**

Children who qualify for Pupil Premium can use their funding towards these activities. If this applies to you, then this adjustment will show on your Eduspot account once the payment link is available.

Yours sincerely,

Year 5 Teachers  
Mrs Bell, Mrs Ellis, Mr Luetkemeier & Mrs Spencer
