

Lowe's Wong News

Vol 17 Issue 10

6th February 2026

Dear Parent/Carer

Due to our IT Admin upgrade, this will be my last newsletter before half term. Please don't forget that school finishes for half term on Thursday next week as we have a staff training day on Friday 13th.

Online Safety

This week we have reminded the children about Online Safety and also ways in which AI can be used safely. Next Tuesday is Internet Safety Day and whilst we aim to ensure that everyone stays safe online everyday, there will be some work around staying safe when using social media

Swimming

The Calverton pool remains closed due to a water heating issue, this means that we will be using Newark Leisure Centre next week. 4DH will start swimming every week from Thursday 12th March and we are optimistic that the pool will have reopened by then.

School Uniform / Jewellery / Nail Varnish

I have reminded all the children that they should be wearing school uniform all the time. On their PE days, appropriate plain joggers, tops and the blue hoodie are expected. Also, we have noticed that a number of pupils are arriving wearing jewellery and in some cases with painted nails, please can I remind parents that neither jewellery (bar stud earrings), nor nail varnish is allowed.

Cross Country

Well done to our Year 6 Cross Country team who took part in the rain and cold yesterday – some great results. Also, huge well done to our year 6 pupils who were invited to the Nottinghamshire U11 Cross Country finals at Worksop College last weekend. You really did us proud!

Have a great weekend.

Mr M.Follen
Headteacher

Star of the Week – 6th February 2026
